Just notified by Foothill Transit that they will now be starting construction on Monday, March 4th.

Thanks.

Brian

Hi UHRC Team,

Can we assist Foothill Transit by scheduling a Rapid Response to the below located bounded by 17th, 18th, Grand, and Olive in the super early morning of Monday, February 25th? If it's possible to visit the location the evening before on February 24th, that would be great, but then it would have to be a patrol unit, right?

Thanks.

Brian

Hi Brian –

We have a start date for construction at our downtown bus layover location. Our contractor is scheduled to begin work on February 25. The lot under development is bounded by 17th, 18th, Grand, and Olive.

We are also leasing two other lots downtown at the southeast corners of 16th and Maple and 16th and Wall. We are a bit further out on starting construction at those sites, but Caltrans has asked that we help address the homelessness issue there as well. Any help you can provide there also would be appreciated.

Thanks again for your help with this challenging situation, Brian.

Kevin
